# **Hayle Emergency Services Community Station**

By the time the Pump is on the streets the long awaited Fire station will be operational.

This is a bit of a coup for Hayle as it is uniquely the first Tri-Service in the country.

The past year has seen nine people training with other operational units in Exeter and Penzance, attending real fire situations. Five individuals will be full time operatives on a rota basis providing cover at all times providing the first service.

The second service to be installed will be the Ambulance in middle April and following that the Hayle Police Station will become operational.

The Tri-Services Officer will be a 1<sup>st</sup> Responder for Ambulance, on call Firefighter and undertake some restricted Police roles working with the community. The Watch

Manager is W.M.O'Connell  
Thanks must go to all who were involved in bringing this much needed project to Hayle.

On the 8<sup>th</sup> of April from 11-4, we are running a **FREE** family activity day: drop in any time and your children can learn to make vintage Easter cards, have fun model making and take part in an Easter egg trail (the activities are suitable for children aged 3-15).

hard over the winter, and we have created new displays. These displays have been made possible by fantastic donations from Hayle residents – recent donations include a Victorian costume, Hayle regatta cup, a model beam engine and tools that were made by an engineering apprentice at Harvey's Foundry in the 1860s.

Having been awarded a Heritage Lottery fund grant, we have a busy couple of years ahead of us: in April, we will be recruiting for a new Learning And Outreach Officer; during the summer, we will be running free print-making workshops, guided tours and talks; and, in September, Wave Hub are moving out downstairs, so, we are expanding the Centre and creating

new displays based on the history of the Harvey's Foundry Site

## Hayle in Bloom

**At the very well-attended A.G.M. in February** new officials were elected and there was a real feeling of enthusiasm amongst the members. The new chairman is Nigel Powell, the vice chairman, Michael Kemp stays in post, the new treasurer is Lyn Reffold and the secretary will be Jackie Mace. Flowers were presented to Anne Marie Rance the outgoing chairman, and to Ann Foreman who keeps a log of the adopt-a-plotters and which plots they have adopted. She was also presented with a litter-picker in recognition of the sterling work she does picking up litter and dog mess. If you want to help to keep Hayle looking lovely, and would like to have your own plot, please give Ann a call on 01736 754452. The plants will be

supplied by the gardeners, so there is no cost to you.

Even if you don't want to do be a gardener, there is a multitude of jobs crying out to be done, now that we are all part of the Big Society – i.e. no help from the Government - such as repairing and painting the seats around the town, some of them are looking distinctly shabby.

Flowers were also given to Lyn Reffold, who together with her husband Mike organised an Auction at the Cornish Arms at which over £500 was raised for Hayle in Bloom funds. Many thanks, Lyn and Mike. The auction on 21st February at the Cornish Arms was a successful evening. John Broadbridge on the microphone with his "auctioneer's hat " on did a very good job and raised lots of money for us, for which we thank him. We had a wonderful response from the business people in Hayle and we would like to thank the following: Balti King, Beauty-Licious, Blushh, Boots, Central Garage, Copperhouse Jewellers, Cornish Connections, C.T.G., Dune, Hayle Cycles, Helios Tan & Spa, Hampson's Butchers, I.F.M. Services, Iroka, Jolly Bodger, Julian Foye, Kebab House, Launderette, Monroe's, Patch & Acre, Paradise Park, R & J Supplies, Solo Builders, Strawberry Blondes, Westcountry Blinds and the White Hart Hotel. Our special thanks go to Helen and Malcolm at The Cornish Arms for their help and support.

We will be holding more fund-raising events in the near future, so, watch this space.

## **Flora Merrifield**

**Volunteering at Hayle Archive,** days can be hectic with requests but sometimes quiet and subdued, involving coffee, biscuits, and catching up with chores.

On a morning like this a few weeks ago, the phone rang. The caller was Joan, a lady from Pembrokeshire, Wales, getting in touch to tell us about her friend, Flora.

I answered the call, and heard that Flora Merrifield was a sprightly, energetic lady, ninety-five years old, still inclined to go on adventurous coach trips and have 'a bit of a jig' dancing till late in the evening.

Flora was born and grew up in Hayle until she left at the age of fifteen, and recently had become very nostalgic, longing to return, if only for a day, to visit the town once more.

And so her good friend Joan had said "Let's do it!"

***Oops !!***

***We apologise to Zip Inn and customers for putting in the wrong contact number in the***

A coach trip to Newquay was booked for the beginning of March, with the two adventurers intending to take advantage of a day trip to St Ives during that time, so that somehow they could reach Hayle, if only for a few hours.

Someone had suggested that Joan phone the Archive, although she confessed that she was unsure how we could help.

We conferred, rang her back, and said we'd see what we could do.

Flora was one of eleven children and lived with her grandparents at 85 St John's Street. In 1924, at the age of four, she started her schooling at Bodriggy School, and still vividly remembers incidents from those days.

We firstly agreed that one of us

would collect Joan and Flora from the coach at St Ives. We visited the two children's organisations at what was originally Bodriggy School, and they were interested and helpful, saying of course she was welcome to visit.

Lucy Frears, from the Hayle Oral History Project agreed to interview Flora, and also suggested that we contact Hayle Day Care Centre.

Lesley, in charge of the Day Centre, was incredibly helpful. She phoned around and spoke to Hayle legend Winnie Basset, who, at the age of

94, clearly remembered going to school with Flora. She then invited two of us from the Archive to lunch with Winnie and Flora, mentioning that maybe the Cornishman would be interested in the reunion of two school friends who hadn't met up for 80 years.

The Cornishman was interested, and Flora and Winnie were so excited at the thought of meeting up after so many years. We found that the events, which would obviously include a tour of Hayle, were spiralling, and would probably require more time than the coach trip allowed. With this in mind, when

Joan phoned to finalise things a few days before the trip, we offered to drive to Newquay to collect them, and return them at the end of the day.

Sadly, this story does not have a happy ending. The very next day, lovely Joan rang to tell me that Flora had had a stroke and was very ill in hospital. Since then she has kept us up to date, and on the 2<sup>nd</sup> March, the day they would have been travelling to Newquay, instead she visited Flora in hospital. She walked into the room, to find Flora lying with closed eyes. At once her eyes opened, and looking at Joan, she said "Why aren't you in Cornwall?" We so hope that with the aid of her good friend Joan, Flora's indomitable spirit will win through.

Our thanks to everyone who helped out, and if anyone has any information about the Merrified family, we'd love to hear from you at [haylearchive@haylearchive.org.uk](mailto:haylearchive@haylearchive.org.uk) or tel. **01736 752982**

## On Saturday, 11 April, at 7.30pm

Hayle Film Club will present the popular drama THE IMITATION GAME starring the multi-nominated Benedict Cumberbatch as cryptanalyst Alan Turing during his World War II code-breaking stint at Bletchley Park.

The next day's matinee, at 2.30pm on Sunday, 12 April, is another biopic of guitar virtuoso Jimi Hendrix, in

JIMI: ALL IS BY MY SIDE, which focuses on the early stages of his career, when in 1966 he leaves New York for London and begins to make his mark in rock-and-roll. Both films have been lauded as fine dramas yet controversial in their alternative takes on history. Come see for yourself.

Film titles for May and June are still being decided. Under consideration are THE THEORY OF EVERYTHING, BIRDMAN, STILL LIFE, TESTAMENT OF YOUTH and LOVE IS STRANGE. Stay tuned to our website and flyers around town for news. (As we did in 2014, Hayle Film Club will take a holiday in July and August.)

Our second annual AGM will take place on Saturday, 9 May, at 7.15pm. All paid members are encouraged to attend. Like last year, it promises to be a short-and-sweet quarter hour -- and comfier, thanks to a generous grant of 50 new chairs from the BFI Neighbourhood Cinema Equipment Fund!

Films are presented upstairs in the Passmore Edwards Institute; evening screenings are followed by free refreshments.

Tickets are £5 (£4 for members), reserve by phone 01736 752319 or online at [www.haylefilmclub.org.uk](http://www.haylefilmclub.org.uk). Tickets at the door are subject to availability. All are welcome.

## SOS - SAVE OUR SAND

"We are a local pressure group committed to the welfare of the beach. We have campaigned for 15 years to stop the sale of sand dredged and dug from the beach and channel.

We have been calling for the return of sluicing and are delighted to see the work on the system at Carnsew, behind Asda, coming to fruition. We are determined to see the new gates fully automated.

We also undertake beach cleans in the summer in partnership with the holiday parks which front the Towans.

We welcome supporters new and old to our meetings held upstairs at the Passmore Edwards Institute on the

second Tuesday of each month at 7.30pm."

Approximately 55 members of the public attended the meeting, which took place in Penpol School.

It was resolved unanimously that Hayle Town Council objects strongly to planning application PA14/09315 on the following grounds:

- the National Planning Policy Framework presumption in favour of development of brownfield land and the emerging Neighbourhood Plan's prioritisation of other sites over this one;
- loss of agricultural land;
- harm to the setting of listed buildings and the Conservation Area;
- harm to the setting of the World Heritage Site (including the objection of English Heritage);
- failure to meet the 40% affordable housing requirement and the risible

15% offered (even though another development at the other end of the town had complied with 40%);

- in the spirit of localism weight should be given to local opinion, which was overwhelmingly against this application;
- Hayle Town Council's disagreement with Cornwall Highways' traffic impact assessment, especially at Foundry Square;
- although land was being given for school development no education contribution was being paid and the land offered would not be sufficient for future expansion;
- it appeared that it was not a coincidence that this and other developments were coming forward before the Community Infrastructure Levy, which would provide the town with £2,000 per dwelling, was in

### **Transfer of Amenity Sites**

The Town Council is still in negotiation with Cornwall Council regarding the transfer of the town's open spaces: - King George V Memorial Walk, The Plantation, Hayle Recreation Ground, the Millponds and Station Hill Gardens.

It was initially anticipated that the facilities would have been

transferred by 1<sup>st</sup> April 2015.

However, the discussions have been more protracted and complex than expected. On a positive note, we have recently received confirmation from Cornwall Council that money has been secured for the repair and upgrade of these facilities, which includes full repair to The Plantation Wall which runs alongside the B3301, and the work has been programmed into the schedules. The works will be completed prior to the transfer. In the meantime, we have been looking at what will be necessary in terms of staff, contracts and equipment for when we take responsibility for these sites back.

The negotiations are still ongoing and we remain hopeful that realistic dates for the transfer will be confirmed shortly.

**Council Vacancy**

The Council has recently advertised the vacancy for co-option. The deadline for applicants wanting to be considered is 1<sup>st</sup> April 2015 and all interested candidates will be invited to attend an interview on the evening of 9<sup>th</sup> April 2015.

**Recreation Ground Café/Kiosk**

The previous tenant of the kiosk gave notice and in the last month the Council has gone out to tender to attract new tenants. There has been quite a lot of interest and, hopefully, by the time this goes to press new tenants will have been selected and

the kiosk might just be open!

**Annual Citizens and Organizations of the Year**

Nomination packs are available from the Town Clerk’s office for the Citizens and Organization of the Year Awards. The Council is also seeking nominations for Hayle Young Person of the Year and Hayle Youth Organization of the Year. The deadline for all nominations will be Friday 17 April 2015.

### *Millpond Update*

“Spring, Spring, Spring!”

Oh, where is the year going again? We are now officially classified as spring, even though winter hasn't strictly finished with us yet and, if we find it confusing, the wildlife are also having their own problems. Some of the ducks have already moved up to Copperhouse, and our two reprobates are already preparing their nest. That means that all our other residents will have to suffer, Odin being a total pain in the rear while Freya is nesting, and, this year, they appear to be earlier than usual.

We have a number of unusual trees along Millpond Avenue which are part of the historic fabric of the Inner Pond. Recently, one of our Strawberry Trees was severely damaged and had to be partially removed. Happily, in spite of what happened, we have noticed that it is regenerating from the base and, in

time, will recover. We think it is about 100 years old, and it was originally planted as part of the ornamental enhancement of the Inner Pool.

The Harveys followed the Victorian custom of planting trees to commemorate special family events, such as births, marriages and deaths. The magnificent Copper Beech, in the grounds of the "Laurels" was planted on the occasion of the marriage of John Harvey Trevithick.

All our trees are covered by Protection Orders, and great care must be taken not to damage them, as has unfortunately happened to the Lime Tree in front of Duckhouse Island. We hope that no further damage will be done and we can

continue to enjoy the beauty of our woodland through the coming seasons. To that end, Olivia, our gardener, and Tony, her assistant, have planted a number of new saplings along the Rope Walk as part of the "Bee Aware" and "Butterfly Projects".

Our Gadwell ducks have just made their return visit to the Inner Pool on their way back to Iceland to breed.

My name is Richard Evans, and I am the Community Fundraiser for the South-West region which includes the Scilly Isles and the Channel Islands. A major part of my role is to try and recruit volunteers who are interested in donating six-ten hours a month of their time to fundraise through our Pin Badge and Collection Tin scheme. The scheme is hugely popular with the public and extremely successful. We have 140 volunteers already and generate upwards of £100K regionally. It's extremely flexible for volunteers and also very rewarding, as individuals can fundraise up to £1,000 a year for a national charity which aims to inspire the public and conserve birds and wildlife in the UK.

We are always on the look-out and wanting to recruit new volunteers.

Another one of Barry's jokes

It was raining hard and a big puddle had formed outside of The Royal Standard pub. An old man - Denzil - stood beside the puddle holding a stick with a string on the

end jiggling it up and down in the water. A curious gentleman asked what he was doing. "Fishing," replied Denzil. Poor old fool thought the gentleman, so he invited him in for a drink in the pub. Feeling he should start some conversation while they were sipping their whisky, the gentleman asked, "And how many have you caught?" Denzil replied, "You're the eighth.

Come into Hayle Library where we stock a wide selection of books and DVDs for people of all ages to enjoy. We provide computer access for members and visitors. You can pay your council tax, order recycling bags and apply for a Blue Badge, to name just a few. The Tourist Information Centre is also based in the library building.

Kindly note that we no longer photocopy benefit evidence for our customers; this also includes the handling of new claim forms. They need to do it themselves, but we do have a photocopier they can use and a post box in the building that we will empty each day and send off through our internal mail system.

Also, we are no longer able to offer our phone for customers to use to contact housing benefit or council tax.

The 'Bounce and Rhyme' session for babies and toddlers is on Wednesday mornings at 10.30am, and 'Storytime and Fun' for the slightly older children has moved to a Friday afternoon at 3.45pm.

We also provide a home library service for any customers that are housebound.

us, and an increasing calendar of engagements, plus the pleasure of having new music to add to our already varied and enjoyable repertoire.

The first engagement was in February when we sang at the Godolphin Arms in Marazion on the occasion of the centenary celebrations of the W.I. We sang to a large and appreciative audience including several dignitaries.

The choir welcomes new members of all voices, there are no auditions and you don't need to be able to read music.

Singing in a choir, as well as being a very sociable activity is also thought to have health benefits, so if you enjoy singing do come along and see how pleasurable it can be. You will find a very friendly and supportive group of ladies, you will also have a mentor to help you along should you feel the need, and a very varied choice of music, folk, popular, music from the shows, sacred music and madrigals, something for everyone in fact.

The choir meets every Thursday evening at Hayle Methodist Church Hall from 7.30 to 9.30pm. For further information ring Ann on **01736 752335**

# The Big Breakfast

On a bright sunny Saturday we were all treated to a marvelous breakfast of juice, cereal, bacon and eggs. Full Cornish I guess. The occasion was fund raising for Cancer Research and everyone donated generously to reach £1,200 and still coming in. Jane did a tremendous job in the kitchen as did all the volunteers who made everything go smoothly. Amongst them were several youngsters Louis Firth, Lowenna Hurr and Ben pictured below, who acted as waiters and ensured the tables were ready for the next lot of customers.

Thanks to everyone who made this possible and I look forward to next years Big Breakfast.

I am looking to finance the project with Kickstarter, the online crowd-funding method, where supporters can pledge differing amounts of money for a variety of rewards; in this case promotional merchandise, original artwork, sets of postcards featuring my work, copies of the book and so on. It is a very successful method of funding which has seen all manner of enterprises come to fruition; from new inventions to media projects, charity money-raisers to business ideas.

## St Ives NCI

**Spring is fast approaching, and, as it does,** thoughts are starting to turn to this year's upcoming holiday season.

One of the most-enjoyed aspects of St Ives is its beaches and the surrounding waters. The National Coastwatch Institution (NCI) is out there in full force all year round, watching out for people's safety whilst they play and work on the water.

As we gear up for the spring and summer season, the NCI is seeking additional volunteers to train as Watchkeepers to join the team based at the watch station

on The Island.

Watchkeepers come from all walks of life and offer a wide range of skills and experience. Prior experience is not required, as full and on-going training ensures that volunteers reach the high standard expected by the NCI and MCA. "If you are over 18 and have good eyesight, an interest in what's going on out at sea and a few hours to spare each month, please get in touch. We'd love to hear from you," says New Recruits Officer, Laura Tonge.

If you are interested in becoming a volunteer watchkeeper at the St Ives lookout, please contact Deputy Station Manager, John Farrell, on 01736 759652 or email [enq@nci-stives.org](mailto:enq@nci-stives.org). For more information visit our website: [www.nci-stives.org](http://www.nci-stives.org)

# **Cornwall Blind Association**

**Talking Support** is service operated by Cornwall Blind Association. It is designed to reach out to blind and visually-impaired people living in isolation in Cornwall.

In Cornwall, with our large rural areas and lack of adequate public transport, many blind, visually-impaired people or those coming to terms with impending sight loss may go days and weeks without personal contact. Erosion of confidence and plummeting of self-esteem as well as feelings of being a 'nuisance' are some of the knock-on effects of this lack of personal contact. The resulting isolation and loneliness experienced by service users is what

this service is designed to help alleviate.

The service is staffed by volunteers, and they make regular weekly telephone calls offering 'talking support' to clients. The clients will have asked to be part of the service or been referred to Cornwall Blind Association by another agency, friends or family.

Our volunteers come from all walks of life and may be blind, visually-impaired or sighted. Most importantly, they will need to be perfectly at ease on the telephone and able to relate comfortably with people using that medium.

We currently have 24 volunteers and a service user list of over 60 people.

## Thank you Hayle

Hayle Group of Friends for the Children's Hospice South West would like to thank everyone in and around the Hayle Area for their generosity ever since the group started in 2007, supporting then the Precious Lives Appeal, with the aim of building a Children's Hospice in Cornwall.

This had the amazing result in Little Harbour being built and supporting Cornish Families from January 2011.

The Hayle Friends group remains very active and by the end of 2014 had raised over £200,000 since its inception. This reflects wonderfully on everyone in the Hayle Area and the group are so grateful for the support to date and hopefully in the future"

Saturday Morning  
Rainbow Coffee House**

The Rainbow Coffee House is a popular meeting place for friends to gather on a Saturday morning where they can have a natter and catch up with each other's news. Some even put their heads together over the Daily Telegraph crossword (in an effort to keep their brains active!) The money which is donated for the coffee, tea and cakes is given to many good causes. In 2014 this amounted to £2572.

***Believe it or not....***

Here is a true story received from one of our readers:

The other day I was searching for my Rail Card. I could remember the last time I used it, but it was not in my purse in its accustomed place. After almost turning the house upside down, and with no luck, as I went to bed I remembered hearing that one should ask St Antony (patron saint of lost causes) for help. So I did just that, and suddenly it popped into my head where I had put it, in a drawer which I would not normally use. To say I was relieved is an understatement—I was overjoyed.
